An Act respecting the Ontario Association of Certified Engineering Technicians and Technologists

Preamble	<p>The Ontario Association of Certified Engineering Technicians and Technologists has applied for special legislation to re-enact its governing Act (the <i>Ontario Association of Certified Engineering Technicians and Technologists Act</i>, 1984), making changes respecting the objectives, structure and administration of the association, adding to the list of designations that it is authorized to grant to its members, and describing the work performed by its members. The Association represents that it was incorporated under the laws of Ontario by letters patent dated March 19, 1962 and was continued under the 1984 Act.</p> <p>It is appropriate to grant the application.</p> <p>Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:</p>	<p>5. To establish, promote and enforce high ethical and professional standards of conduct for members.</p> <p>6. To accept donations, gifts, legacies and bequests for use in promoting its objects and carrying on its work.</p> <p>7. To carry on benevolent work in connection with the families of dead, retired or incapacitated members who are in need.</p> <p>8. To co-operate with other organizations with objects that are in whole or in part, the same as or similar to its objects.</p>	
	ADMINISTRATION OF THE ASSOCIATION	<p>3. The Association has the capacity and the rights, powers and privileges of a natural person.</p> <p>4. The affairs of the Association shall be managed by its council.</p> <p>5. (1) The council of the Association is composed of such number of persons as is specified by by-law</p> <p>(2) The council shall have a minimum of 12 and a maximum of 24 councillors.</p> <p>(3) The president, each vice-president, the president-elect and the past president hold office as councillors by virtue of their, position.</p> <p>(4) The following persons must constitute at least two-thirds of the membership of the council:</p> <p style="margin-left: 20px;">1. The president, each vice-president, the president-elect and the past-president.</p> <p style="margin-left: 20px;">2. Councillors who are elected in accordance with the by-laws.</p> <p>(5) The remaining councillors are to be chosen in accordance with the by-laws.</p> <p>(6) The by-laws may specify criteria for determining, whether a person is eligible to hold office as a councillor.</p> <p>(7) The by-laws may provide for councillors to represent regions, and may specify that a member in a region is entitled to vote for his or her regional representative only and not for other representatives.</p>	<p>Powers</p> <p>Council</p> <p>Composition of Council</p> <p>Same</p> <p>Same</p> <p>Same</p> <p>Same</p> <p>Same</p> <p>Eligibility</p> <p>Regional Representation</p>
Association Continued	<p>1. (1) The Ontario Association of Certified Engineering Technicians and Technologists is continued as a corporation without share capital.</p>		
Same	<p>(2) The Association is composed of its members.</p>		
Objects	<p>2. The following are the objects of the Association:</p> <p>1. To establish, maintain and conduct an institute or association within Ontario for technicians, engineering technicians, applied science technologists and engineering technologists for the purpose of granting membership and registration to persons who meet the standards of the Association.</p> <p>2. To maintain discipline among its members.</p> <p>3. To assist members in advancing their status, recognition and welfare and in increasing their knowledge, skill and proficiency.</p> <p>4. To establish and maintain consistent registration requirements for technicians, engineering technicians applied science technologists, engineering technologists and other classes of members.</p>		

President. etc.	6. The president, the president-elect and the vice-presidents of the Association are to be elected in accordance with the by-laws.	(3) A member of the Association who is registered as an applied science technologist may use the designation "Applied Science Technologist", which may be abbreviated as "A.Sc.T."	Same, A.Sc.T.
