

OACETT 2024 AI Summit: The Rise of AI and its Impact on the Engineering Technology Profession

SPONSORSHIPS

April 9 | 8:00 AM – 4:30 PM | Humber College, Barrett Centre, 5th floor

Who is OACETT?

The Ontario Association of Certified Engineering Technicians and Technologists (OACETT) is Ontario's independent certifying body for engineering and applied science technicians and technologists.

OACETT confers the certifications, certified technologist (C.Tech.) and certified engineering technologist (C.E.T.).

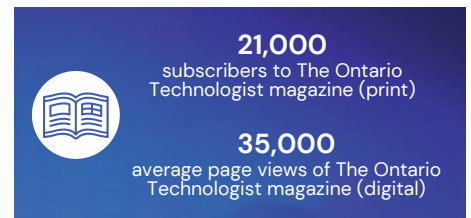

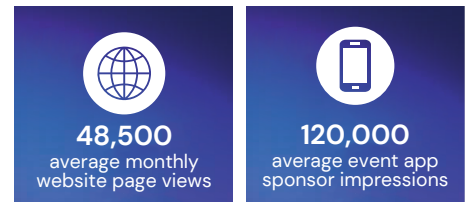

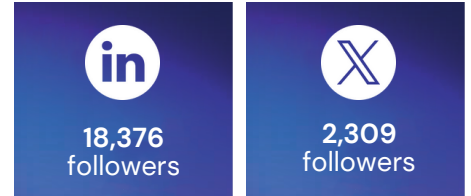

What is the AI Summit?

The OACETT 2024 AI Summit, titled "The Rise of AI and its Impact on the Engineering Technology Profession," will bring together industry leaders from companies, colleges, and government for a full day of sessions focused on identifying gaps in policy and governance, ethical concerns, and potential labour market challenges as a result of AI. The summit aims to create a guidance document for the profession when utilizing AI.
